### Potholes How do I report them?

Potholes in our roads are a constant problem but Cheshire East Highways team cannot repair the potholes if they do not know about them.

You can report a pot hole via

[www.cheshireeast.gov.uk](http://www.cheshireeast.gov.uk)

and go to

'Report a highway fault'.

If you don't have access to the internet please contact the Highways team on 0845 002 0666.

### Village Life Support

Knutsford Community First Responder Trust has placed a first aid emergency defibrillator at the Park Gate Inn. The initiative is designed to save lives in rural communities where ambulance response times can be slower. In a first aid emergency, always call 999 first and follow the instructions.

The managers at the Park Gate are first aiders and have been trained in the use of the defibrillator.

 Knutsford Community Heartstart offer free emergency first aid courses; call 01565 652348 for details.

### Community Pride 2010

This year Peover superior has been awarded the "Little Gem" award for its cenotaph.

Congratulations to all.

The minutes of the meeting held on 15th September are available on the Cheshire East website or should you wish to have a hard copy please contact the Clerk.
