Parish Council News

Happy new year to all! It has been a busy few months for the Parish Council.

Affordable housing S106 agreement is being drawn up. The S106 dictates who will be eligible for the housing and so is an important document for the Parish Council to be involved with.

The **Play equipment** has also had some work done. With the rocking horse being renovated and the swings being repainted!

Also the Parish Council has been successful in securing some funding from **Manchester Airport Community Fund** towards the installation of new fencing and a kissing gate

IF YOU DON'T REPORT THEM, THEY WILL ONLY GET WORSE!

Potholes in our roads are a constant problem but Cheshire East Highways team cannot repair the pot-holes if they do not know about them.

You can report a pot hole via www.cheshireeast.gov.uk and go to 'Report a highway fault'. If you don't have access to the internet please contact the Highways team on 0845 002 0666.

BROADBAND

We NEED your HELP!

Message from St Lawrence's

Much work has been done to try and gain higher speed broadband in Over Peover. The Parish was to be part of a pilot scheme to improve the broadband coverage but this scheme has been delayed in red tape and government bureaucracy with DE-FRA.

Kathy Doyle has copies of letters the parish can send on the website.

www.overpeover.com. These letters are to George Osborne speaking in support of the BT/Cheshire Scheme and asking for the red tape to be unravelled!

If you would like 'hard' copies of the letters please contact Kathy via email (doylekathym@gmail.com) or The Clerk.

The Church is closed for rewiring from January through to March. **Family Festivals** will take place at the village hall at 4 p.m.

Message from Methodist Chapel

We are pleased to contribute to the new Over Peover Parish news and look forward to learning more about the different things happening in the village.

Following problems from burst pipes after the exceptionally cold December we are now relieved to be back to holding our weekly Sunday afternoon service in Chapel at 2.30.p.m. Anyone who would like to join us would be very welcome.

We also have a good-sized meeting room plus kitchen, toilet and parking facilities available for hire. Please get in touch with me about this or anything else I could help you with.

HOMEWATCH

Knutsford Rural Policing

have asked that residents be vigilant about locking up vehicles even when stored in garages. In November 2010 thefts were reported from vehicles left unlocked in garages. You are reminded also to remove valuables from your vehicles.

If you are leaving your property empty even for a few days consider using timer switches to turn lights on, especially this time of year.

FOSA - Friends of the School Association

The Friends of the School Association (FOSA) is ambitiously trying to raise £7000 to replace the broken climbing frame, upgrade part of the playground and start the badly needed refurbishment of the staff room. We are always grateful for the support of the local community at our fundraising events and would warmly accept any offers of help or any ideas for a new local community and school event.

All events are listed on the school website, but some dates for your diaries include the Plant Sale and Farmers Market (7th May - forms for advance plant orders will be delivered or available from the school), the Summer Fair (25th June) and an evening social event at the beginning of July.

Please contact Angela Teste (01625 860036) if you have any queries, suggestions or offers of help.
