

Over Peover Village Hall bursts with festive colour

The second Christmas flower arranging class was held this week. Having received some tuition at the last class by Marilyn Lloyd (Goostrey WI), the ladies had come prepared; baubles, ribbon, fir cones, foliage, flowers, containers in hand they set to work on their displays.

Marilyn came round to offer advice and in the case of the novices, make odd adjustments, these seemed to make all the difference. The results were stunning ; wreaths, tear drops, candle displays, potted arrangements, all different and all impressive.

After all that hard work it was time for refreshments, the group enjoyed cake and, breaking slightly from tradition, a glass of prosecco – well it is Christmas!

We were all delighted with our displays and admired those of our fellow classmates.

If you are interested in joining us, look out for the notices and come along to the Village Hall. It's a wonderful way to meet local ladies. You can be sure of a warm welcome.
