

Over Peover W. I. Enjoy An Evening At Plumleys

21 members of the Over Peover WI met for a social evening at Plumleys Garden Centre which had been reserved exclusively for them.

It was a milestone occasion as this was the first time many had seen each other face to face since lockdown and it was also the first time everyone had been able to gather together as a group indoors.

The room was quickly filled with chatter and laughter and the evening was made more special as members helped Ann Brooks (pictured left) celebrate her 90th birthday. Ann was taken by complete surprise when she was presented with an attractive orchid plant.

Ann has been an active member of the WI for over 60 years and has many accomplishments to her name. Her description of ‘what the WI means to me’ was selected from many submissions and read out in Chester Cathedral when all the Cheshire WI branches came together in February 2020 to celebrate the WI centenary.

Having been served a delicious meal, caught up on all the news, the group were able to enjoy some essential “shopping time”. Everyone agreed it had been a lovely evening and the good news is that regular WI members meetings are planned to resume at the end of September.

If you are interested in coming along to one of the meetings or finding out more about the WI just contact June Leach E: june_leach48@yahoo.co.uk, Tel: 07500 250969.
