

## The Village Hall bursts with colour!

The Over Peover Flower arranging group was delighted when Marilyn Lloyd from Goostery WI agreed to come back to the village hall to run two flower classes. The theme was Easter and so the brief was to bring bright spring flowers, twigs and foliage.

The first class was all about producing a decorative arrangement in a pot. Following a quick demonstration by Marilyn, the ladies set to work. Less than two hours later they had an array of beautiful arrangements bursting with colour.

A perfect start to Easter!

At the second class the group were taught how to make a rectangular arrangement with the use of moss, natural foliage and flowers, plus a few chicks and easter eggs.

They set to work using their creative talents and the result was another great display, so many that we couldn't get them into one picture!

As has become tradition the second class ended with cake and fizz.

Classes are already being planned for Xmas so if you fancy coming along to a class and getting involved just check out: [www.overpeover.com/over-peover-womens-institute](http://www.overpeover.com/over-peover-womens-institute)
