

Over Peover W.I. “Meet & Eat” At The Frozen Mop

Introduced this year as part of our centenary celebrations, the Meet & Eat Group has continued to prove popular and looks like it could be added to the events calendar next year. It is a lovely way for members to meet and chat over a leisurely lunch. The atmosphere is relaxed and it gives everyone the perfect opportunity to catch up and connect with each other.

Having had a break for the summer, the event reconvened this week at the Frozen Mop in Mobberley. The weather may have been wet outside but as organiser Julie Houghton commented “it was sunshine inside”. By all accounts the venue was a real success; the food was good, the staff were friendly and helpful, even managing a group photo taken through a gap in the wall to ensure everyone was included - what service!

The time just whizzed by and the group didn't leave until 3pm, having had a thoroughly enjoyable few hours. .. Roll on the next one, which is planned for Friday 20 January 2023, venue to be decided.
