

Peover Superior Parish Newsletter

Volume 12 Issue 2 Autumn / Winter 2022

We were deeply saddened by the death of Her Majesty Queen Elizabeth II last month. Her Majesty was Britain's longest reigning monarch and devoted her whole life to the country she loved.

Rest in peace.

Raising Funds for The Christie at Macclesfield

As part of their centenary celebrations, Over Peover WI have produced a high quality cook book containing 100 of their favourite recipes.

Available at £10/copy with all proceeds going to The Christie, the book makes an ideal gift for Christmas.

100
YEARS
ANNIVERSARY

Jo Munro – New Principal at Peover Superior Endowed Primary School

I am delighted to have been appointed as the new Principal at Peover Superior Primary School and feel extremely honoured and privileged to have been chosen to continue to build upon the success the school has already achieved. Peover Superior is a wonderful school in which to start my headship journey and the staff and children are an absolute delight to work with. As the new principal I will strive to create the best education for the Peover children, as well as be a valued member of the local committee.

Peover Superior Primary School Open Days For Reception 2023

We are pleased to announce two open days for all prospective parents of children looking to join our Reception class in September 2023. The open days will be held on Thursday 20th October and Thursday 24th November from 9:30am to 11:00am and also 1:30pm to 3:00pm.

Parents will be given a guided tour around our school by members of Student Leadership Team. You are welcome to attend either of these dates within the times specified, no pre-booking required.

As well as the above open days we have a number of tours available which will be led by the Principal, Mrs Munro. These are bookable dates and limited in number of parents attending each session. These tours are available on the following dates: Thursday 29th September 2:30pm, Monday 10th October at 11am and Tuesday 18th October 11am. Please email Janet at admin@peoversuperior.cheshire.sch.uk to book onto a session.

Outside Shelter

We are applying for lottery funding to improve our site for the benefit of pupils and the local community. In order to improve our chances of winning the bid, we must demonstrate we have consulted different stakeholders, prove there is a need and demonstrate the improvements have the potential to enrich the lives of local people. We would like the funding to be used to build an outside shelter on the school grounds. This could be used not only by pupils of our school, but by members of the local community who wish to use our grounds to run any outside activities e.g. football, netball, keep fit, walking groups.

Your answers will be used to support our application, thank you

Peover Superior *Aspire*
Endowed Primary School Educational Trust

Dear Parents/Resident,

We are applying for lottery funding to improve our site for the benefit of pupils and the local community. In order to improve our chances of winning the bid, we must demonstrate we have consulted different stakeholders, prove there is a need and demonstrate the improvements have the potential to enrich the lives of local people

Your answers will be used to support our application, thank you

Do you think the school grounds are an important community asset in Peover? Why are they important?	
We want to improve the outdoor area of the school for the benefit of the community by providing a covered space close to the Trim Trail Do you think a covered space to meet outdoors will be used by the school and wider community? How would you like to see the outdoor shelter used by the community? e.g., what types of community activities could it be used for?	
How will improving the outside play area help families in our community? e.g., will it provide a space local families can meet and socialise without having to travel?

W.I. VILLAGE SHOW

Early in September the W.I. organized another Over Peover Village Show. It was very well supported and was a resounding success. There were entries in all of the 42 Classes and the quality of the exhibits was to an exceptional standard.

As well as the very popular "Garden" section including flowers, fruits and vegetables, there were classes for home produce, handicrafts, photography and paintings – and "Men Only" and "Childrens" Sections.

During the afternoon the W.I. ladies provided tea and cakes for all of those who had come to view the exhibits and see the results of the judging.

Well done to the Members of the W.I. for their hard work in organising and staging this wonderful village event.

VOLUNTEERS NEEDED

Would you like to help reduce speeding through the village? If you can spare a few hours each month then join our Community Speed Watch programme.

We are looking for volunteers to monitor the speed of cars driving through the village. All equipment and training is provided. If you wish to get involved then please email the parish clerk at council@overpeover.com

For further details on the Community Speed Watch programme, please contact Councillor Dave Clarke on 07940 916539 or clarke.david66@yahoo.co.uk
